

STAALWIT.

Our questionnaire:

What are your future goals in terms of communication?

How do you contact your customers now?

What is your plan for new customers?

Do you want us to come up with a name for you? If so, what did you think of yourself?

Do you want us to design or redesign a logo for you?

Where did you get your inspiration from?

What kind of websites do you like and what elements appeal the most?

Do you have multiple web domains you want us to manage?

Which products are most profitable?

What does your current online and/or offline marketing strategy look like? Is this measurable?

Do you want a multilingual website?

What topics are you satisfied with and what would you like to change?

Do you have a clear overview of the products and services you offer?
